Dear Lyme Resident,

Since 1956, as a courtesy to the Town of Lyme, the Dartmouth Skiway has provided free season passes to the children of Lyme, NH. Dartmouth Skiway is looking forward to continuing the special relationship it has with the Town of Lyme, and to hosting the children of Lyme for another enjoyable season of skiing and riding.

The criteria for eligibility will continue to be as stated in the Skiway's March 8, 2002, letter to Lyme's Board of Selectmen: "... 'children' include(s) those Lyme residents up to and including the later of their reaching age 18 or graduating from college, provided that they are currently enrolled in a secondary school or college and can present a valid, current student ID....".

For your child (or children) to participate in the pass program, a new application must be submitted each year.

The application is on the reverse of this page and may be mailed or delivered to the Skiway.

Identification and address verification are required for your child (or children) to participate in the pass program. Skiway Management reserves the discretion to issue or revoke any pass, and its decision regarding the issuance or revocation of any pass will be final. A lost pass will be replaced upon payment of a \$10 re-issuance fee.

New program participants only are required to have pass photos taken before their passes can be issued. Prior participants' photos will be re-taken on an 'as needed' basis so as not to overload the Skiway's resources. The Skiway reserves the right to require any passholder to have a new pass photo taken at any time.

You must return this form to the Skiway by 3 pm on November 30, 2007 for your youngster(s) to participate in the free pass program. *Information/forms processing AFTER that date will incur a \$25 processing fee, unless other arrangements have been made with Skiway Management before 3 pm November 30th, 2007.*

The Skiway will be open on November 19th, 20th, 21st, 23rd & 24th from 9 am to 4 pm for the fitting of season lease equipment, retail sales, selling and issuing season passes, and for taking pass photos. Passes may be issued during these days if time permits, but otherwise will be issued after our opening day upon the passholder's first visit to the Skiway. **The Skiway will be closed on Thanksgiving Day.**

As a reminder, during the season, the Skiway Lodge will close at 4:30 pm. If your children are skiing or riding with us, please arrange to have them picked-up before that time.

If you have any questions, please contact the Skiway at 795-2143.
